

SPARK!

A cultural program for people with early- to mid-stage memory loss and their care partners.

ABOUT

SPARK! programs engage participants in their communities by providing cultural experiences that stimulate conversations, provide peer support, and inspire creativity through interactive engagement with the fine arts, food, nature, gardens, current events, and exhibitions.

Led by specially trained staff and volunteers, SPARK! programs provide care partners an opportunity to be together in the moment. The programs are not reminiscent, nor do they rely on recalling memories, but rather focus on observations, conversations, and creative experiences. There are a variety of programs to fit every interest and comfort level.

This 60–90-minute program takes place the third Wednesday of every month | 10:00–11:30

FREE for families to attend. Space is limited and registration is required. Contact Public Programs Assistant Ann Marie Craig at acraig@wisconsinart.org or 262-247-2279
