

SPARK!

CULTURAL PROGRAMMING
for PEOPLE WITH MEMORY LOSS

FREE for families to attend in a comfortable environment led by specially trained staff and volunteers. Registration is required and space is limited. Contact Public Programs Assistant Ann Marie Craig at acraig@wisconsinart.org or 262-247-2279.

WEDNESDAY, AUGUST 16 | 10:00–11:30

The Street

Take a walk through *The Street* – MOWA’s newest exhibition. We’ll explore how everyday items, places, and people create the art of public spaces and discuss our own places within the community. As a nod to Art & Chalk Fest, we’ll make some sidewalk chalk too.

WEDNESDAY, SEPTEMBER 20 | 10:00–11:30

Say Cheese!

Taking photos is a great way to preserve memories. We’ll start with a single word and, with a little imagination and Polaroid cameras, we’ll create images that tell a story. Our therapy dog Maggie will join us too.

WEDNESDAY, OCTOBER 18 | 10:00–11:30

The BiKe WriTer: A Travelogue of Adventures on a Bike

As a tribute to her dad, journalist Judy Steffes now uses her bicycle to see the world and raise awareness for music and exercise programs for people with Alzheimer’s. See some of the places she’s visited and listen to great travel stories.

Designed for people with early to mid-stage memory loss and their care partners, SPARK! programs help keep participants actively engaged in their communities. Cultural experiences through SPARK! stimulate conversations, provide peer support, and inspire creativity through interactive engagement with the fine arts, food, gardens, current events, and exhibitions at MOWA.
